

Future Leader scholarships were established in 2005 to assist students of high academic calibre and leadership potential. Sports scholarships were even earlier, starting in 1999, helping sports people to hone and grow their skills and abilities in their chosen code, as well as achieve academically.

Numerous scholars have emerged from their studies equipped to make their mark on the world.

Both Future Leader and Sports Scholarships were the first of their type, and blazed a path to recognising that a scholarship is more than financial help to cover costs. It is about using the resources we have at Lincoln, as well as following our mission to help expand your world. This doesn't just apply to the lecture room, but also to the sports field, in the community and around campus.

A Lincoln University scholarship gives you the opportunity to study at New Zealand's specialist land-based university while having some, or all of your university costs paid for.

Scholarships can be awarded on criteria such as:

- academic grades

The five main Lincoln University scholarships are:

1

Tihi Kahuraki:

Supporting high achieving Māori students who are entering their first year of undergraduate study at Lincoln University, who show strong leadership and engagement in their whānau, hapū, marae or community.

2

Pasifika Excellence:

Supporting Pasifika students who are entering their first year of undergraduate study at Lincoln University and who show strong leadership and engagement in their community.

3

Excellence:

Our Vice-Chancellor's Scholarship for Excellence is open to students of a high academic calibre who are intending to study a bachelor's degree.

4

Future Leader:

For students who are passionate about social and environmental issues, this scholarship gives the opportunity to develop leadership skills while actively contributing to the community, the environment and the university.

5

Sports:

The Sports Scholarship offers a selected group of students an opportunity to gain a world-class academic qualification, while developing sporting abilities to a professional level.

Tihi Kahuraki means ‘to be at the pinnacle’. It is often referenced with the pinnacle of a mountain, but in this context we link the meaning of ‘being at the pinnacle’ to that of a premiere scholarship for Māori.

As recipients of this prestigious scholarship, scholars are provided with targeted support and mentoring throughout their study. Along with this, they are expected to be actively engaged in Te Awhioraki, the Māori Student Association, and to be part of other Māori events, activities and wānaka on campus.

Tihi Kahuraki recipients are also encouraged to engage in projects or activities with their whānau, hapū or iwi.

The criteria for the Tihi Kahuraki Scholarship are:

- a) Academic merit
- b) Demonstrated leadership in whānau, hapū or community activities or projects that may include mahika kai, marae, hapū, whenua, kapa haka, te reo revitalisation or manu kōrero, environmental or other related areas of relevance
- c) Video portfolio provided by the applicant demonstrating their engagement in the community.

Value: Up to \$19,000 per year to cover on-campus accommodation costs and tuition fees

Tenure: For three years
